2) As regards the recovery of proportionate burning charges and of quota of cost of maintenance of buildings, the question requires further examination. Logically, then charges also should be recovered. Besides the ~~recovery of maintenance~~ recoverable charges in respect of the maintenance of quarters from the C & M claim, there are other ~~items~~ demands from the said administration viz, Cost of maintenance of prisoners, Cost of maintenance lepers, Contribution towards the dispensary establishment, Charges relating to Water Supply and maintenance &c. 2. A statement showing the details of charges taken into account in the calculation of the amounts recoverable from C & M Station Revenues on various accounts compiled from the information obtained from departmental officers is appended.

3. From this statement, it will be seen that (1) except in respect of the contribution relating to Water supply and maintenance, only direct charges are recovered, and indirect charges such as charges on account of maintenance of buildings and contribution towards pension are not taken into account in the calculation of the recoverable cost.

(2) In respect of the contributions due for the maintenance of C & M Station Lunatics and Lepers, the cost of medicines supplied from the Medical Stores is also not included.

(3) As regards contribution due for the maintenance of the C & M Station prisoners, the contribution is fixed at Rs.112/- per annum in the case of ~~a~~ an Indian prisoner and Rs.251/- per annum in the case of an European prisoner. It is ascertained that the rate fixed does not include contribution towards pension.

4. The bills in respect of items 1 to 3 in the Statement are sent by the Department direct to Government. As regards items

Dear Sir,

In reply to your D.O.No.G.7657/Med. 22nd December 1928, I write to invite reference to Government Proceedings No.1278-J.140, dated 20th July 1895, according sanction to the admission of lunatics of the Civil and Military Station, Bangalore, to the Mental Hospital at Bangalore, for treatment. The basis for the recovery of their maintenance charges etc., is as follows:

The total expenditure of the whole Hospital for a quarter of the year is taken into account and the average expenditure per head per day is calculated and this average is applied to each patient of the Civil and Military Station and the total expenditure to be debited to them is arrived at deductions being made of any charges recovered from the patients relatives.

A specimen of the calculations made for the quarter ending 30th September 1928 is herein enclosed.

Yours sincerely,

R e a d : -

Correspondence ending with letter No. Dis.B.790 dated the ~~30th March 1929~~ 25th June 1930 from the Senior Surgeon in Mysore about the calculation of the maintenance charges of patients in the Mental Hospital and the Leper Asylum, Bangalore.

Order No. 9253-5.

Dated, Bangalore, 8th July 1930.

It having been brought to the notice of Government that the cost of maintaining in the local mental Hospital, the paying ~~the~~ patients ~~in the Mental Hospital belonging to the Civil and Military Station~~ did not ~~take into consideration~~ include a number of ~~important items which should have been included therein~~, the Senior Surgeon was requested to state the basis on which it was being calculated hitherto. He reported that the practice ~~has been~~ was to include under the cost of maintenance the marginally noted charges alone and that the cost of Europe medicines, pension allowances of staff and of the maintenance of buildings are not included in the calculation, as they are not paid directly by the Superintendent of the Hospital.

(1) Diets,
(2) Hospital necessaries, eg., phenyle, chunam, soap, straw, bandage cloth, cotton, wool etc.
(3) Bedding and clothing including mats, blankets, cotton carpets, sadles and dungry cloth.
(4) Other charges viz., materials for providing occupation to the patients, Railway fare and batta to discharged patients
(5) Contingencies eg., electricity and water charges, repairs to furniture, postage and telegraph charges, and
(6) Establishment - the pay and leave allowances of the superior staff and the pay of the menial staff.

As it appeared to Government that the existing method of computing the cost was based on an erroneous view of the matter, the Comptroller ~~was~~ has been requested to examine

examine with reference to the existing rules and practice in force, the entire question of the basis for the recovery of the cost of maintenance in respect of not only mental patients but also of prisoners and lepers. ~~belonging to the Civil and Military Station.~~

The Comptroller states that in respect of the ~~Mental patients and lepers of the Civil and Military Station not only~~ the direct charges but also the indirect charges such as those on account of maintenance of buildings, cost of Europe medicine and contribution towards pension of the establishment should be included in the calculation of the recoverable cost. ~~of maintenance.~~

With regard to the prisoners of the Station confined in the Central Jail, he states that the existing rates of contribution in respect of Indian and European prisoners payable by the Civil and Militar Station authorities do not include contribution towards the pension of the staff and that it ought to be included. He is also of opinion that the bills for the recovery of the amounts in respect of above should be subject to pre-audit of the Comptroller before transmission.

Government agree with the views expressed by the Comptroller and are accordingly pleased to direct as follows:-

Government of His Highness the Maharaja of Mysore.

GENERAL AND REVENUE DEPARTMENTS.

G. O. No. G. 253-5—Med. 214-28-12, dated 8th July 1930.

Calculation of maintenance charges of Patients.

Passing orders on the —— in the Mental Hospital and the Leper Asylum, Bangalore.

READ—

Correspondence ending with letter No. Dis. B. 700, dated the 25th June 1930, from the Senior Surgeon in Mysore, about the calculation of the maintenance charges of patients in the Mental Hospital and the Leper Asylum, Bangalore.

ORDER NO. G. 253-5—MED. 214-28-12, DATED 8TH JULY 1930.

It, having been brought to the notice of Government that the cost of maintaining the paying patients in the local Mental Hospital, did not include a number of important items, the Senior Surgeon was requested to state the basis on which it was being calculated hitherto. He has reported that the practice is to include under the cost of maintenance the marginally noted charges alone and that the cost of Europe Medicines, pension allowances of staff and of the maintenance of buildings are not included in the calculation, as they are not paid directly by the Superintendent of the Hospital.

(1) Diets.
(2) Hospital necessaries, *e.g.*, phenyle, chunam, soap, straw, bandage cloth, cotton, wool, etc.
(3) Bedding and clothing including mats, blankets, cotton carpets, sadies and dungry cloth.
(4) Other charges *viz.*, materials for providing occupation to the patients, Railway fare and batta to Discharged patients.
(5) Contingencies, *e.g.*, electricity and water charges, repairs to furniture, postage and telegraph charges and
(6) Establishment, the pay and leave allowances of the superior staff and the pay of the menial staff.

The Comptroller having been requested to examine the question, has stated that in respect of paying patients admitted to the Mental Hospital as well as of those admitted to the Leper Asylum it is necessary that both direct charges now levied and also the indirect charges such as those on account of maintenance of buildings, cost of Europe Medicine and contribution towards pension of the establishment should be included in the calculation of the recoverable cost.

Government agree with the views expressed by the Comptroller and are accordingly pleased to direct as follows:—

(1) In calculating the cost of maintenance charges of the inmates of the Mental Hospital and the Leper Asylum of Bangalore, all the charges incidental to the marginally noted items should be taken into consideration and recoveries made accordingly.

(1) Diets.
(2) Hospital necessaries.
(3) Bedding and clothing.
(4) Other charges, *viz.*, materials for providing occupation to patients, etc.
(5) Contingencies.
(6) Establishment charges including cost of clothing, if any.
(7) Cost of Europe Medicines.
(8) Contribution towards the pension of the establishment.
(9) Maintenance of buildings.

(2) Bills for the recovery of the cost of the maintenance of the Mental Patients and Lepers belonging to the Civil and Military Station which are now submitted to Government direct, should hereafter be sent up after verification by the Comptroller.

N. MADHAVA RAO,
Chief Secretary to Government.
